

COVID-19 PUBLIC SAFETY POLICY

The addendum to the Maintenance of Public Order at Library Facilities policy that was adopted on May 20, 2021 regarding mask and distancing requirements for individuals entering the library building has been amended as of June 17, 2021 as follows:

- Patrons are no longer required to wear masks on Library premises. Those who are not fully vaccinated are still strongly encouraged to do so.
- Social distancing restrictions have been eased in line with the Governor's lifting of COVID-19 restrictions in New York State.
- The Board and administration of the Peninsula Public Library reserve the right to revise these policies as needed.
